

# The Master Class

Get ahead of the game

- Free Coffee Chat: Meet with me for 15 minutes over Zoom to ask me any questions about the IB, college preparations, or anything else you might want to know. I'm here to help and am happy to share my personal experiences to help you plan best practices for your child.
- IB Subject Tutoring (\$60/hr): We help your child familiarize themselves with essential foundations for core IB subjects with affordable rates. By providing free access to high scoring IAs, past papers, and subject notes - your child will have a clear path of navigating the IB of them in the two years ahead.
- 1-on-1 Pre-IB counseling (Comes with free weekly webinars) (\$70/hr): Understand what your child will need to go through in the next two years to save them from stress in future. We provide your child with a personalized two-year success roadmap to navigate college applications, choose the right courses for their career plans, and build winning habits inspired by IB data analytics.
